TITLE: Use Your Senses

SUBJECT: Language

GRADE LEVEL: K-3

MATERIAL(S): Air popper, popcorn, paper, pencils

OBJECTIVE(S): Students will write about popcorn using the five senses to describe. They will learn about action verbs, adverbs and adjectives

OVERVIEW:

Instruct your students that they will need to be careful observers. Tell them not to speak to anyone, only to listen and look. Pop up a batch of popcorn, using an electric popcorn popper. When the popcorn is finished popping, pass out to the students. On a sheet of paper, have students write:

1. What I see
2. What I smell
3. What I hear
4. What I feel
5. What I taste

When students are finished writing, have them share their answers with the class and record them on a chart or chalkboard.
